Great location! Beautiful well kept home at the end of a quiet cul-de-sac! Open plan with island kitchen, formal dining space, and bay window! Living room features large windows and a cozy gas fireplace! The kitchen has a huge island with barstools, counter cooktop, wall oven, stainless appliances, and skylights too! The primary bedroom is a generous sized with ensuite and walk-in closet! The oversized ensuite features double sinks and a full tub and shower. Bedroom 2 is perfect for guests, and there is a good sized den/office just off the kitchen. Lots of options including Crown moldings, phantom screens, pot lighting, a covered back deck! Pride of ownership shines through on this one. No/low maintenance yard. Detached garage/shop with high ceilings has its own electrical panel and heater. Lots of parking for 3 or more vehicles. Small gardening shed too! A wonderful set up for retirement or a good starter for a family as the den could be a third bedroom. Built in 2016 with all the bells and whistles. Neat and clean! Pet ok with restrictions. No age restriction. Best part is, it backs onto open spaces! Move-in ready! No age restrictions. 2 pets up to 25lbs. (id:6769)
