Big White

\$1,349,800

Crafted by award-winning H&H Custom Homes, named Okanagan Builder of the Year, 255 Feathertop Way introduces Big White's newest collection of true ski-in/ski-out residences in the lively Sundance Resort. Perfectly positioned slopeside, these homes offer immediate access to the Bullet Express and Black Forest chairlifts, with the Village Centre just a short walk away. The exterior showcases contemporary craftsman architecture, featuring board-and-batten detailing, black metal-clad windows, warm timber accents, and expansive mountain views. Spanning 2,490 sq. ft., each thoughtfully designed home offers 3 bedrooms, 3 bathrooms, a den, and an oversized lock-off storage room. The main level presents a bright, open-concept kitchen and living space that opens onto a covered deck complete with a private hot tub and gas BBQ hookup—ideal for year-round enjoyment. Adding exceptional flexibility, each residence includes a 590 sq. ft. self-contained legal suite with a private entrance, covered patio, full kitchen, in-suite laundry, luxury vinyl plank flooring, enhanced soundproofing, and the option to add a garage. Sundance's strata fees cover building insurance, exterior maintenance, garbage and recycling, snow removal, and access to the resort shuttle, heated outdoor pool with slide, multiple hot tubs, and indoor amenity spaces.
