Below, a daylight one-bedroom income generating suite is fully self-contained with its own kitchen, large bright living room, updated 4-piece bath, sep laundry and dedicated storage -- an excellent mortgage helper in a location with strong rental demand. The main home also retains its own rec room, laundry and pantry downstairs - could easily be configured with a 5th bedroom. Outside, relax on the rebuilt composite deck with new railing, room for the BBQ and a spectacular view. The lot offers a massive side yard, flat parking for multiple vehicles, RV parking, lane access and an updated single garage with high ceilings and oversized door for tools and toys. Updated gutters, soffits, lighting, attic insulation, paint and roof round...
