Black Mountain

\$1,725,000

This stunning 4,900 sq. ft. home offers three distinct living spaces, perfect for multi-generational living, rental income or extra space for a growing family. Choose from four different Builder upgrade packages to customize this beautiful home to suit your style and needs. Designed to allow for natural light throughout, the home features soaring vaulted ceilings, hardwood flooring, wrought iron railings, and a linear fireplace with a floor-to-ceiling plaster surround, the open-concept main floor is both elegant and inviting. The gourmet kitchen features two-toned cabinetry with champagne hardware, a 66-inch fridge/freezer, built-in wall oven, microwave, and 6-burner gas cooktop. A large prep kitchen offers extra counter space, a sink, and rough-ins for a second fridge and oven. The primary suite boasts stunning views, a spa-like ensuite with dual vanities, floating tub, glass walk-in shower, and walk-in closet. Two additional bedrooms, a full bath, a spacious laundry room, and a powder room complete the main floor. The lower level includes a legal 2-bedroom suite with a full kitchen, bright white cabinetry, separate laundry, and a large living space. There is an additional 3-bedroom suite that offers a living room with patio access, dining area, and a wet bar that functions as a second kitchen with a fridge and dishwasher. Located in Black Mountain, home to an award-winning g...
