Lake Country East / Oyama

**\$639,900**

Sick of modern townhomes with tiny rooms and no yard? This one's different. With large bedrooms, storage, and a private yard. The main level offers a modern, open-concept layout with warm natural light and clean finishes. The kitchen features a functional island, stainless appliances, and a great flow for everyday living or casual entertaining. Upstairs, all three bedrooms are generously sized - yes, you can fit that king bed and a dresser - and the primary comes with a walk-in closet and ensuite with two sinks. You'll also appreciate the extras: a proper laundry room (not a hallway closet), built-in vac, and an attached garage. And the backyard? It's a rare find in this price range - quiet and leafy with space to relax. Set in a great location in Lake Country, you're close to schools, a 5 minute Bike Ride to Beasley Park and the beach; with easy access to the highway for commutes. Low strata fees of only 262.93/month. If you've outgrown your condo, or just need more breathing room, this is the upgrade that actually makes sense. Come check it out. (id:6769)
