Quiet Living at its Best! You will love the location of the 2 bedroom. Enjoy the open plan where everyone is connected. The enclosed balcony is a lovely feature, making a wonderful sitting area. It is on the second floor, there is no one above to disturb you. The walkability factor here is high. It is a short walk to the town center and all that has to offer. The well cared for home has an economical heat pump (2018) which provides cooling and heating. No age restrictions. One dog or one cat allowed, up to 30 pounds. Don't miss this one! These don't come for sale often. Call your agent to book a showing. (id:6769)
