A MECHANIC'S DREAM. A TRAVELLER'S HOME BASE. MORE SPACE FOR THE TOYS. LESS PROPERTY TO MAINTAIN. This end unit at Tesoro Arca is built for people who would rather spend their time exploring the Okanagan than working around the house. The showpiece is the enormous garage, sized for a Class A motorhome or large trailer, with room left over for bikes, a golf cart, collector cars, tools, outdoor gear & serious storage. A garage level bathroom adds convenience, while the private elevator makes it easy to move groceries, luggage & gear between floors. Above the garage, the 2 bedroom, 3 bathroom home is spacious, comfortable & built for easy living. High ceilings, big windows, granite countertops, stainless steel appliances & a gas fireplace bring warmth and quality without feeling fussy. The generous primary suite offers plenty of room to recharge, while the patio with a private hot tub and open views sets the stage for slow mornings and relaxed evenings. Pets welcome! Golf is across the street, with shopping, dining & wineries only minutes away. When adventure calls, lock the door, secure the toys & go. This is big garage living without the big property workload, giving you more time, more freedom & more ways to enjoy the Okanagan. PREPAID LEASE, No property transfer tax, No Spec tax. (id:6769)
