

90 Forest Lane Big White British Columbia

Big White

\$1,100,000

This is the kind of Big White home that rarely comes available. A stand-alone chalet tucked away at the end of a quiet cul-de-sac, offering privacy, space, and everything you could want in a mountain getaway. Beautiful wood beams and mountain-inspired finishes give the home warmth and character, while recent updates including new paint, toilets, and high-end stainless steel appliances make it completely move-in ready. The hardwood floors and carpeting have been impeccably maintained, and the pride of ownership is evident throughout. With three spacious bedrooms plus a loft, there is plenty of room for family and friends, comfortably sleeping up to twelve. The primary bedroom features its own ensuite and fireplace, while the converted garage offers a fantastic bonus living space -- perfect for a games room, media room, or your own mountain hideaway. Outside, enjoy the private patio complete with a well-maintained hot tub, fire pit, and custom BBQ area. The incredible custom dining table is made for gathering everyone together after a day on the mountain. Offered complete with the furnishings and linens, this is a home you can walk into and immediately make your own. Just bring your skis, unpack, and start making memories. This is a home that has been loved, beautifully maintained, and is ready for its next family to enjoy everything Big White has to offer. (id:6769)
