Lower Mission

\$1,199,900

Tucked into The Orchard, The Lower Mission's most sought-after family neighbourhood, this brand-new 3 Bedroom, 2.5 Bathroom home is the most charming face of the street -- and it feels warm before you've even walked in. Board and batten exterior, a pitched roofline, and genuine cottage character set the tone, while a double garage and covered patio bring everyday function to a beautifully efficient design. Inside, the main floor is open and easy -- living, dining, and kitchen flow together naturally, with a versatile den/office giving you the extra space every home needs. Upstairs, the primary suite offers a private ensuite and walk-in closet, joined by two additional bedrooms and a full bath. Step out to your own open deck, backing directly onto protected green space -- a rare slice of everyday tranquility. With Single Family home-level ease and privacy, this is intimate-scale, lock-and-leave comfort for the move-up buyer who wants character without compromise. New home warranty, no strata fee and a charming and connected neighbourhood. The good life is waiting -- all that's left is you. (id:6769)
