

912 Bull Crescent Kelowna British Columbia

Lower Mission

\$1,389,000

Don't miss your opportunity to own a new build dream home in The Orchard, built by award winning builder Gibson Custom Homes! Nestled in the heart of Kelowna's most desirable neighbourhoods, The Orchard in the Lower Mission offers a rare blend of luxury living, community charm, and everyday convenience. Built on the land of a former working orchard, this thoughtfully planned community features modern custom homes surrounded by agricultural green space, scenic mountain views, and easy access to some of the Okanagan's finest amenities. The area is a culinary and recreational jackpot: lakeside restaurants, vibrant patios, local vineyards and breweries are just a short hop away. From the moment you arrive, The Orchard captures the essence of the Lower Mission lifestyle. Families are drawn to the top-rated schools within walking distance, including Anne McClymont Elementary and Okanagan Mission Secondary. For active lifestyles, the community is just minutes from Sarsons Beach and the Mission Greenway. Expected completion is August 1, 2026. **DISCLAIMER:** All renderings, illustrations, and visual representations are provided for general layout and conceptual purposes only. They are not intended to accurately depict the final design, materials, finishes, colours, appliances or specifications of the home. Actual features, finishes, and specifications are subject to change and will be d...
