Have you ever dreamed about having your own special private retreat all of your own away from the hussle & bussel of daily life? Then this cute & cozy place may be the one for you. It's a beautiful log home that offers a bright and spacious open concept living area that's open to the kitchen/ living room area with lots of natural light and views of nature from every window. Main floor offers 1 bedroom and a full 4 piece washroom. Upstairs has another bedroom that's a pretty neat area that looks down into the kitchen/living area. The lower level has much finished space to offer with a third bedroom (non conforming) a hobby room plus 2 large utility/ storage rooms that also has the laundry area. This home boasts pride of ownership throughout , was very well kept with the owners always willing to invest more into some common over looked nice bonuses, it's already wired for a stand alone 10 kw propane generator with the transfer switch, a randon gas pump for extra protection aswell as 2 mini splits & a air to air heat pump. Outside you'll be hard pressed to even see the neighbours' houses , very private setting. There's a screened in room on the larhe deck, a wood working shop plus a nice detached garage.This is a must see property if any of this info is what you're looking to buy. (id:6769)
