

925 SICAMORE Drive Kamloops British Columbia

Westsyde

\$699,900

Set in a sought after Westsyde location, this 4 bedroom, 3 bathroom home offers a bright main floor, flexible lower level and space both inside and out. The main floor features a bright living room with attached dining and direct access to the large covered deck overlooking the backyard. The eat in kitchen offers good everyday function, while two bedrooms and a full 4pc bathroom complete the level, including a spacious primary with walk in closet and 2pc ensuite. Downstairs offers two additional bedrooms, a generous rec room and a large laundry area with flexibility for future use. Tons of storage throughout the home help keep things practical and organized, while the added space increases the home's overall versatility. Outside, the tiered yard features mature landscaping, established gardens and multiple fruit trees that give the property a peaceful, well cared for feel. A large double garage, RV parking and additional driveway space add even more function. Located close to schools, parks and everyday amenities, this is a solid Westsyde home offering comfort, practicality and long term potential. (id:6769)
