

940 Mt Ida Drive Vernon British Columbia

Middleton Mountain Vernon

\$1,099,000

On Middleton Mountain, ten minutes above downtown Vernon, this is the kind of home where everyone naturally gathers downstairs. A spacious games room, full wet bar, media room with mounted projector and built-in surround sound, and two additional bedrooms create the ultimate space for entertaining, hosting overnight guests, or simply enjoying family time. Outside, a heated in-ground salt water pool, relaxing hot tub, covered patio, and sweeping valley views set the stage for long summer evenings and unforgettable weekends. Upstairs, the bright and inviting main floor seamlessly connects the kitchen, dining, and living areas. Expansive windows stretch across the back of the home, flooding the space with natural light and framing stunning panoramic views that become part of everyday life. The generous primary suite offers a peaceful retreat, complete with a walk-in closet and a luxurious five-piece ensuite featuring a deep soaker tub. Main-floor laundry adds convenience to the thoughtful layout. Beautifully designed for both entertaining and everyday comfort, this exceptional Middleton Mountain home blends stunning views, resort-style outdoor living, and functional family spaces to create a lifestyle that feels elevated, effortless, and a little bit like a year-round vacation.
