Turn-Key Modern Oasis - Fully Renovated & Move-In Ready! One of only nine stick-built homes in the park -- not a mobile home! This beautifully updated property was fully renovated from the ground up in 2022 and is ready for immediate occupancy. The open-concept main floor offers a seamless layout with high-end custom finishes throughout, ideal for everyday living or entertaining. The spacious primary suite fits a California King and features a walk-through dual closet and a spa-inspired ensuite. Two additional bedrooms provide flexibility for family, guests, or a home office -- one highlighted by a custom mural. Enjoy outdoor living in your private backyard oasis with a covered gazebo, garden area, and newly sealed oversized parking pad with carport. Additional features include hidden laundry, concealed utilities, and a smart home security system with digital doorbell. This thoughtfully designed home offers comfort, quality, and peace of mind.
