Vernon Bridge

\$375,000

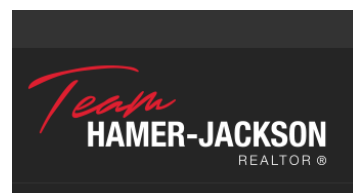

Welcome to 953 Avondale Road. A perfect family home nestled in the peaceful rural community of Avondale, just 20 minutes from Charlottetown. Set on a large, private 7-acre lot, this well-maintained property offers space, comfort, and potential for future growth. Minutes to the Avondale golf course and Vernon River Consolidated School. The upper level of the home is bright and inviting, featuring bay windows that fill the space with natural light. The heart of the home is a beautiful oak kitchen complete with a central island and pantry, ideal for family meals and entertaining. You'll find a spacious master bedroom with his and her closets, a second generously sized bedroom, and a full bath with a convenient laundry area. Some recent updates include some new flooring, new siding and new electric hot water heater. Energy efficiency is a key feature, with a heat pump helping to keep electricity costs low and a Benjamin wood boiler providing an excellent secondary heat source. Oil/wood fired in floor heat to keep both levels comfortable on those cold winter days. The lower level is a blank canvas awaiting your finishing touches. With full-sized windows for natural light, recently spray-foamed insulation, and plumbing already roughed-in for a second bathroom, there's great potential to double your finished living space and customize it to your needs. Potential for 2 more bedrooms...
