

9532 Benchland Drive Lake Country British Columbia

Lake Country South West

\$2,275,000

Located in the prestigious Lakestone community, this exceptional residence blends luxury, comfort, and effortless entertaining with stunning lake and mountain views from both the front and back. A grand foyer with soaring ceilings, rich hardwood floors, and striking wood staircases with glass railings creates an unforgettable first impression, while expansive windows fill the home with natural light. The upper-level great room is designed for gathering, featuring a sleek modern fireplace and seamless access to a covered deck--perfect for taking in the panoramic views. The chef-inspired kitchen is equally impressive, complete with an oversized island, gas range, custom hood fan, dual sinks, wine bar, coffee station, walk-in pantry, and convenient pass-through to the outdoor dining area. Step outside to your own private resort-style backyard, showcasing a heated pool, hot tub, gazebo dining area, sun loungers, and a covered patio for year-round enjoyment. The primary suite offers a peaceful retreat with its own view deck, spacious walk-in closet, and spa-like ensuite. The lower level adds incredible versatility with a large rec room, home gym, and full bathroom. Enjoy access to Lakestone's renowned amenities, including pools, fitness centres, sport courts, and lake access--all just minutes from Kelowna, UBCO, and the airport. (id:6769)
