

955 Tillar Road Naramata British Columbia

Naramata Rural

\$950,000

Looking for that perfect retirement home in the beautiful Naramata Bench! Here it is! This rancher style home sits on over a quarter acre lot and has lake views from the large deck, and as a bonus the garage is currently set up as a large bunk house with a 2 pc. bath and a separate work space. It could easily be converted back to a full garage, but it currently works great for all your company. This home has been lovingly maintained and upgraded, see attached list of improvements. The Naramata Bench is home to a number of wineries, distilleries and cideries as well as the renowned KVR biking, hiking, trails. Naramata Township features parks, beaches, shops and parks.
