Middleton Mountain Vernon

# \$879,000

Welcome to 958 Mt Begbie Drive -- a bright and spacious rancher with a walkout basement, perfectly positioned to capture beautiful city and valley views. Designed for both comfort and connection, this 4-bedroom (2 up, 2 down), 3-bath home offers 2,900 sqft of naturally lit living space with a thoughtful, open-concept layout. The heart of the home features 13-foot vaulted ceilings that create a remarkable sense of space. The kitchen includes heated floors, abundant counter space, and a seamless flow into the dining and living areas -- an inviting setting for gatherings or quiet evenings by the gas fireplace. The large primary suite provides a peaceful retreat with a four-piece ensuite (also with heated floors) and a walk-in closet. A second bedroom, full bath, and convenient laundry room complete the main level. Downstairs, the walkout level adds flexibility with ample space for family, guests, or hobbies -- ideal for a home office, gym, or recreation area. Recent upgrades include a new furnace and heat pump (2025) for energy-efficient comfort, a new washer and dryer, and a hot water tank replaced in 2022. The basement does have its own entrance so could be set up with a suite. Enjoy the best of Vernon living in the desirable Middleton Mountain neighbourhood, just minutes from parks, schools, Kalamalka Lake, Kal Park, the Rail Trail, golf courses, and more. (id:6769)
