Revel in the serenity of the beautiful Crown Land from your very own backyard, this beautifully renovated single-family home in North Okanagan backs onto a peaceful and expansive wooded area. From the front deck, relish the breathtaking Lake and Mountain views. Positioned on a gently sloping lot, the four-bedroom property boasts space to build a garage and suite potential. Inside, a freshly painted main level with vaulted ceilings with updated flooring, windows, and appliances. The bright and light-filled kitchen and family room offer direct access to the attached deck, ideal for dining or entertaining. A main floor master bedroom comes complete with a well-appointed ensuite bathroom and walk-in closet. A formal living room completes this level. On the second floor, three additional bedrooms and a full hall bathroom await. Below the main floor, a partially finished basement with exercise room could easily be converted into a self-contained suite with separate entrance. Come see everything this move-in ready home can offer you today. (id:6769)
