

965 Westpoint Drive Kelowna British Columbia

Lower Mission

\$2,499,000

Originally built to showcase excellence in design and craftsmanship, this luxurious home is brimming with features that must be experienced to be truly appreciated. A charming brick pathway, flanked by a serene water feature, leads you to the inviting entry. Inside, the foyer's double-sided fireplace (one of four in the home) casts warmth into both the elegant formal dining room and the great room, where a cozy inglenook invites quiet moments. The chef's kitchen, bathed in natural light, features stunning views framed by expansive windows, blending wood, granite, steel, and brick for a timeless, organic palette. The main-level master retreat offers unmatched comfort, spectacular views, and thoughtful details. A handcrafted staircase ascends to the second floor, where three spacious bedrooms, a bonus room, two ensuites, and a full bathroom await. The finished lower level is designed for recreation and entertainment, featuring a billiard room with a wet bar and wine room reminiscent of an Olde English pub. A private home theatre, exercise room, and a fully equipped nanny suite round out this level. Seamlessly integrated indoor-outdoor living is achieved with folding window walls, opening to the infinity pool, spa, waterfalls, koi ponds, and an outdoor BBQ area with a fireplace—your private oasis to relax and unwind. Truly a masterpiece of elegance, warmth, and functionality. ...
