

965 Westpoint Drive Kelowna British Columbia

Lower Mission

\$2,250,000

Some homes are just houses. This one is a life upgrade! Welcome to 965 Westpoint Drive -- where lifestyle is a deliberate choice and every detail reflects it. Tucked within Woodland Hills, one of Lower Mission's most coveted enclaves, this 6,000+ sqft craftsman estate offers space, privacy, beauty, and a backyard that competes with the finest resorts in the valley. The main floor flows with easy sophistication -- living and dining spaces, a dedicated home office, and a chef's kitchen with Viking 6-burner gas range. Accordion doors dissolve the line between inside and out. Real wood millwork throughout -- kitchen, living areas, bedrooms, and baths -- brings warmth and craftsmanship that's increasingly rare. The primary suite is a true retreat: direct pool access, spa ensuite with soaker tub, tiled shower, double vanity, and a custom walk-in built for two. Upstairs: four generous bedrooms -- or three plus a bonus room -- two with private ensuites, a loft lounge, and dedicated laundry. A second laundry on the main keeps life running effortlessly. Below, the lower level delivers! Games room, brick-surround fireplace lounge, wet bar, wine room, flex spaces, and a private studio suite for nanny, in-law, or fiercely independent teenager. Outside, your personal resort awaits -- tiled in-ground heated pool & hot tub, koi pond, outdoor kitchen, gas fireplace lounge, and three waterfall...
