

969 Westminster Avenue Penticton British Columbia

Uplands/Redlands

\$1,239,000

Perched to capture unobstructed lake views, this extensively renovated home offers the perfect blend of space, versatility, and lifestyle. Featuring 4 bedrooms and 4 bathrooms on the main floors, plus a brand new legal basement suite, this property is ideal for multi-generational living, Airbnb income, or a large family needing room to grow. Enter through the grand foyer where solid oak hardwood floors lead into the spacious living room framed by oversized windows and patio doors showcasing the breathtaking views. The updated kitchen features quartz countertops, stainless steel appliances, and access to the west side yard, while the spacious dining area is perfect for entertaining. A main floor bedroom opening to a deck, plus a 3-piece bath and laundry, complete the level. A wide staircase leads upstairs to a family room with the same incredible lake views. Two secondary bedrooms open onto a south-facing sunroom and deck with separate access from the driveway. The primary suite offers its own private north-facing deck and full ensuite. The self-contained legal suite includes private laundry and can be accessed from the landscaped backyard or directly through the main home, offering excellent flexibility for extended family or rental income. Major renovations include new flooring, updated bathrooms, fresh paint, appliances, exterior upgrades, new roof, and more. Located minut...
