

976 Manhattan Drive Kelowna British Columbia

Kelowna North

\$4,250,000

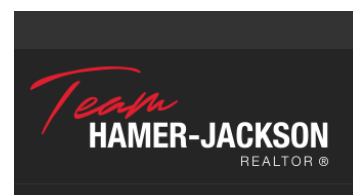

Only you will know how this home welcomes you. It's true, you are walking distance to town, events, parks, trails and those things you need. Then you walk into a home and retreat, a lakeside oasis in the midst. From the sheltered outdoor kitchen/BBQ to the spacious main floor bathed in natural light. You can feel like a host and chef if you want or just enjoy preparing your own meals in the kitchen made for you. The master bedroom is a personal, private place to rest and take time. Time to recline on at the private deck overlooking the lake or immerse in a steam shower. This home offers a spacious, independent suite or with an easy, transformation plan it can be completely yours, if you want the whole space. The timeless design of this home we call contemporary earth. Clean lines and grounded in warmth. Take the step, make the call for a private viewing. (id:6769)
