

9768 Santina Road Lake Country British Columbia

Lake Country South West

\$899,000

Your chance to jump into the market is here ~ This is Right-Sizing Lake Country Living at its best! This home boasts a 2 BEDROOM LEGAL POTENTIAL SUITE and separate laundry area all plumbed in with just a bit of sweat equity left to go. It's a modest home and not huge to clean and yet is a 5 bedroom / 3 bathroom home. It's a great 'grow-with-you' kinda place! The current owners had it as a legal 2 bed suite but when their family grew they removed the kitchen to create more space. If you've been looking for a TRANSFORMER home that will move with you, this is the one! Open plan living with 3 beds/2 baths up and den or office down right near your main entrance. This is a smaller neighbourhood but with lots of big perks as you are just a few minutes to the Kelowna/Vernon highway, close to great neighbourhood schools and all amenities. Lovely private backyard and no neighbours behind ~ just a sweet forested hill. RV parking or tenant parking available. New to Lake Country?
