

9783 Centrestone Drive Lake Country British Columbia

Lake Country North West

\$2,399,000

Architectural masterpiece situated on one of the largest flat lots in Lakestone, this stunning modern home is the definition of refined Okanagan living. Thoughtfully designed and executed, this 5-bedroom, 4-bath residence blends striking modern lines with warm, luxurious finishes throughout. Expansive windows fill the home with natural light and seamlessly connect indoor and outdoor spaces. Every detail has been intentionally curated, creating a home that feels both sophisticated and effortlessly livable. At the heart of the home, a showpiece chef's kitchen features premium Miele appliances, custom cabinetry, and elevated finishes that perfectly balance form and function. From here, step outside to your private resort-like yard. The meticulously designed landscaping, architectural concrete work, outdoor kitchen, and saltwater pool transform the backyard into a true retreat - ideal for entertaining or unwinding under the Okanagan sun. Set within one of the region's most desirable communities, this exceptional home is just minutes from the airport, renowned wineries, and Lakestone's exclusive private amenities. Residents can enjoy access to world-class facilities, including the Lake Club - featuring an infinity-edge pool, two hot tubs, an outdoor kitchen with BBQs, and a fully equipped state-of-the-art fitness centre. This is Okanagan living at its absolute best. (id:6769)
