

9810 96 Street Peace River Alberta

Downtown

\$199,900

RE/MAX Kelowna
100-1553 Harvey Avenue
Kelowna, BC,
Canada

At over 25000 sq ft of space - .62 of an acre - this is an optimum location for many different uses. Zoned Mixed Commercial Residential a property with this classification is open to many more uses than either commercial or residential alone. This would be a great location for something like seniors housing with only one level for ease of use - this is something very lacking in the town of Peace River and is much needed - the sign is up!!! Call today!! (id:6769)
