REVA REALTY INC., Brokerage

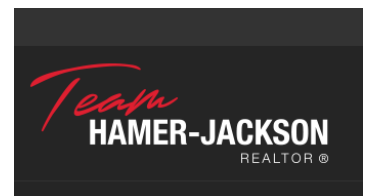

This camp shows like a home in the middle of the forest. Features include a living room with wood stove, full kitchen, bathroom, and three bedrooms, all serviced by a three season collected water system. This 25 acre property is surrounded by Crown Land providing direct access to thousands of acres of public hunting and recreation land with an active deer population. Multiple outbuildings provide storage and a compost toilet. Perfect for hunters seeking a comfortable base camp with room to expand or anyone wanting a private retreat to relax on their own acreage.
