Glenmore

\$924,900

Prime Development Opportunity - MF1 Zoning on a 99.5' x 93.5' Lot in Glenmore Rare offering in one of Kelowna's most desirable neighbourhoods. This 99.5 ft x 93.5 ft lot is zoned MF1 (Infill Housing), allowing for up to 6 units and 3 storeys, making it ideal for small-scale multi-family development or land assembly. Situated on a quiet cul-de-sac, just steps to the Rail Trail, downtown, lake access, Knox Mountain, schools, Railside Brewing, and local shops. The existing 2-storey rancher is full of character and function, featuring vaulted ceilings, a bright south-facing living room, cozy fireplace, and French doors opening to a wrap-around porch. Enjoy morning coffee or sunset views in a beautifully private yard with 10+ organically managed fruit trees (peach, plum, cherry, nectarine, fig, apricot, pear) and raspberry bushes, all behind a deer fence. Major updates include a second-floor addition and insulation (1995), roof (2009), high-efficiency furnace and hot water tank (2013), plus upgraded water/sewer lines. A fantastic opportunity to live, rent, or redevelop in a central, high-demand location. (id:6769)
