

9901 80 Avenue Peace River Alberta

North End

\$61,200

This is a rare opportunity in Peace River to own a piece of land that is specifically zoned for mobile homes. There is no other subdivision in town where you can own the land to place your mobile home. Get away from expensive lot rent and tight living quarters with your neighbor right beside you and buy this lot, set up your home and enjoy space, privacy and ownership! The lot is large and has some fencing, a paved driveway, mature trees and services onto the lot. The older home that was here previously has been removed, the lot is all cleaned up and it is ready and waiting! Call today! (id:6769)
