Are you looking for just the right amount of office/showroom space plus a couple of roomy bays conveniently located in a high traffic location in the downtown core. If so, then this is it. Located directly across the street from the Sawridge Hotel, visibility is excellent and drive-by traffic is plenty. There are 3 overhead doors and shop space, a fully fenced compound with gate for outside storage of equipment and the front office space that could also double as a showroom for your merchandising needs. Definitely worth a look, make the call today to find out more! (id:6769)
