

991 Mt. Bulman Drive Vernon British Columbia

Middleton Mountain Vernon

\$869,000

This inspired custom-built 4-bedroom, 3 full bathroom home offers a bright and spacious open-concept layout designed with family living in mind. From the moment you walk in, you'll appreciate the seamless flow, generous living spaces, and thoughtful design that makes everyday life feel effortless. Step out from the dining area onto your private patio and backyard--perfect for summer BBQs, entertaining, or simply unwinding in your own quiet retreat. With convenient RV parking and plenty of room for all your toys, this home truly checks every box for Okanagan living. Located in the highly desirable Middleton neighbourhood in Vernon, this property offers the perfect balance of tranquility and convenience. You're just minutes from the stunning shores of Kalamalka Lake--famous for its turquoise waters--where you can spend your summers boating, paddleboarding, swimming, or relaxing on the beach. Surrounded by hiking and biking trails, parks, and all the outdoor recreation the Okanagan is known for, this location is second to none. Downstairs, a large family room provides the perfect space for movie nights, a kids' hangout, or hosting guests, along with two additional bedrooms offering flexibility for growing families or visiting friends. This is more than just a home--it's a lifestyle. A rare opportunity to live in one of Vernon's most sought-after neighbourhoods, close to everyth...
