

A Reservoir Road Penticton British Columbia
 Penticton Rural
\$8,500,000

This 150+ acre property offers a unique opportunity for nature enthusiasts. The fully fenced land features multiple flat areas ideal for future building sites, providing the potential to create your own private retreat. This blank canvas property attracts local wildlife such as elk and boasts stunning Okanagan Valley mountain, lake, and city views. With flat, development-ready areas and access to a groundwater well, this dream property provides the perfect setting for nature lovers to build their ideal wildlife retreat and enjoy the incredible vistas while observing the local fauna in their natural habitat.
