Kelowna North

\$1,400,000

For Sale manufacturing business in wood products. Supplier to third parties in the millwork industry with a solid reputation for quality and service. Plenty of room to build on the current volumes with an estimated potential to triple the sales. The company invested approximately \$150,000 in custom software that simplified order entry and extrapolated into the production. Asking price below market value. (id:6769)
