

Saint-Paul New Brunswick

\$24,900

New Brunswick Real Estate Board

Just over 1 acre ready for your dream project in Saint Paul! This gorgeous parcel of land is high and dry and currently being used for hay. There is a driveway with culvert located on the east side of the lot, and electrical at the road. This lot is definitely out in the country, but close to so many amazing things! Tons of wonderful, warm, and inviting neighbours. Minutes to Saint Paul Volunteer Fire Department, Centennial Park, and Saint Paul Catholic Church. Just 30 minutes from Moncton and Costco! Lot is zoned Rural Residential and it should be easy to get building permits. Buyers to call Kent Regional Service Commission to confirm uses before purchase. (id:6769)
