

10 PINE Road LOT Valemount British Columbia
\$175,000

Secluded in nature but only a few minutes from downtown Valemount. If you're looking for a little acreage but still want the convenience of town this property is for you! Almost 5 acres of flat land with gorgeous mountain vistas. There is a pipeline easement running through the middle of this parcel, roughly 1/3 of the property where you are restricted to what you can do on it. An added bonus to this property is the shared well already in place. There are not many vacant small parcels of land like this left so close to town. Don't miss your chance to own your little piece of paradise you've been waiting for. (id:6769)
