

Lot 25 Tyndall Road Lake Country British Columbia

Lake Country South West

\$775,000

Welcome to Tyndall Bench, an exceptional lake view community set above the shores of Okanagan Lake in Lake Country, where sloping terrain, mature woodland, and expansive lake views come together in a striking natural setting. The community is shaped around an active, outdoor lifestyle, with trails, protected green space, and nearby lakes offering swimming, boating, and recreation close to home. Kelowna, celebrated local wineries, and everyday amenities remain just a short drive away, keeping convenience within easy reach of this elevated, tranquil setting. Lot 25 anchors the western edge of the walk-out lake-view collection, delivering a generous homesite. The walk-out grade combined with its end-of-row positioning brings added side exposure, lending an openness that enhances both the home's presence and the potential views from every rear-facing room. Its location also places residents close to nearby multi-use trail, offering effortless access to walking, cycling, and the surrounding natural landscape. Bring your own builder or inquire about pre-approved options, with all builders required to be approved to uphold Tyndall Bench's design standards. Incentives are available for builders purchasing multiple lots, with flexible build options, including the potential to begin construction prior to closing. Please inquire with the Listing Agent for full details. (id:6769)
