

Oungre Saskatchewan

\$149,000

SASK MLS®

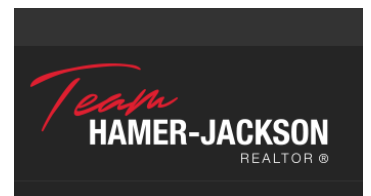

Sitting directly across the highway from the Oungre Memorial Park is a well built 2 storey home situated on just under an acre of land. This home is bright and open and sitting on top of a hill with a spectacular prairie view! The home has a nice small addition which is the back porch with plenty of room for coats and shoes. The kitchen has a great counter area and ample cabinets and overlooks the living room. There is a combined laundry room with a 4 piece bathroom which takes you into a large main floor bedroom. The upstairs has 3 bedrooms and a 2 piece bath making this a great family home! With little effort this home is ready to move into. Please note - bathroom upstairs is only partially finished.
