

Murray Settlement New Brunswick

\$49,900

40 Hectares (per ServiceNB) - that's ~98.84 acres! Last harvested in 2014, this parcel of land is growing back in nicely. With a road already in place, it could be a good investment, and is certainly a great place for a camp. The area is renowned for moose, wildlife and many manner of outdoors/sportsperson activities.
