Westside Road

$5,400,000

Never before on the market. 300 feet of private lakeshore on 2 lots, 8 minutes from downtown Kelowna. Timeless, architecturally designed post-and-beam West Coast Contemporary home on one lot and charming guest house with it's own private dock on the second lot. Dramatic, unobstructed view of Okanagan Lake, directly across from the city, minutes by boat. This is the Kirk property, in the family for 4 generations. Unparalleled privacy, lovingly maintained, beautifully landscaped. A family legacy. (id:6769)
