Welcome to Citybrook, a centrally located townhome community close to UBCO, Kelowna Int'l Airport, and more. This fully renovated townhome shows pride of ownership that sets it apart, having major renovations done in late 2023. This three bedroom, three bathroom is a desirable end-unit with incredible natural sunlight. The open concept living and dining area opens onto the fully updated kitchen, with new stainless steel appliances, white quartz countertops, basin sink, and faucet. Recently added is a brand new powder room, and the gleaming new paint brings a fresh feeling to the entire space. Upstairs you will find three bedrooms, including the large primary suite with plenty of space for a king bed, with dual closets and full ensuite. Two further bedrooms and another full bathroom finish this level. All bathrooms have quartz counters and new tilework, and there are new roller blinds on every window. The generous oversized double garage has very generous space, easily accommodating two cars plus tons of room for motorcycles, snowmobiles, storage, etc. With all renovations recently completed in late 2023, along with a new hot water tank and freshly serviced furnace, this home is completely move-in ready!
