Welcome to this charming 1-acre property that perfectly blends comfort, functionality, and country charm. The home is bright and inviting with vaulted ceilings and large windows in the living room, newer windows throughout, and a spacious kitchen with skylight, dining area, and cozy wood stove. You'll find two full bathrooms—one with quartz counters and vinyl plank floors, the other with a stylish stand-up tile shower. The primary bedroom opens with a sliding glass door to the yard, and there's a large laundry room plus a family room roughed in for another wood stove. Outside, the property is fully fenced, gated, and totally flat, offering endless possibilities. A detached smaller workshop in rear has power, the front shop/garage (20x25, built 2008) with wood stove and 100A sub panel, two woodsheds with splitter, and even a chicken coop add to the lifestyle this property offers. Both the house and shop feature WETT-certified wood stoves, making this a warm and practical retreat year-round. (id:6769)
