Like new is an overused term, but this beautiful Lower Mission home truly is. A substantial renovation just a few years ago gave the property a new front deck, an extra bathroom, a beautiful new rear deck, and a whole new interior, including the kitchen, appliances, and HVAC systems. As soon as you step inside, you will be impressed by the home's quality finishes, thoughtful layout, and bright interior. The community boasts some excellent recreation facilities, including a beautiful swimming pool, and if you jump on your bike, you can be at the lake or in Pandosy Village in 2 minutes. A home of this quality, offering privacy and convenience in Kelowna's most sought-after neighbourhood, is truly a rare find... Don't wait to view this one!
