1833 Cardinal Creek Road Kelowna British Columbia

$599,000

Experience the ultimate in privacy and tranquility as you build your dream home amidst the pristine beauty of fresh mountain air. Take ownership of 5.43 acres of gently sloped land, adorned with picturesque meadows. The current owner has initiated road development, extending up to the designated home building site, ensuring seamless access to your future abode. To further enhance convenience, electrical service will be extended to the lot line, while a shallow well will be thoughtfully dug. As an added advantage, a meticulously crafted home design package is available for purchase, perfectly complementing the property. This remarkable opportunity offers individuals seeking personal space an idyllic retreat within a mere 30-minute drive from the renowned Big White Ski Resort. Situated the location boasts an abundance of scenic riding, hiking, and bike trails, allowing for endless outdoor pursuits. Embrace a harmonious lifestyle, enveloped by serenity, all while conveniently located a mere 15 minutes from the vibrant city of Kelowna. (id:6769)
