Welcome to La maison inspiree de Paris, where classic French architecture meets Canadian family values to create a home that is as comfortable as it is beautiful. The original home was moved to the back of this large lot, then carefully renovated & reinvented as an Airbnb, currently generating \$4k/month in rental revenue. Then came the new build... An antique door from Paris inspired a design & decor theme that flows with intention through every part of this unforgettable home, from the entrance to the art studio. Custom ironwork, lighting & decor imported from France, Italy & Spain complement the theme & catch the eye of discerning guests at every turn. Dining in the private courtyard feels like being transported to a French farmhouse--surrounded by vines from the owner's own micro-vineyard. The romance of this architectural gem delivers an ambiance of relaxed elegance & timeless style that will both charm & impress your guests. Step inside & discover a home that is as practical as it is beautiful, with thoughtful design elements & plenty of space for family to connect or retreat. Located near the beach in the Abbott District, just a short stroll to downtown, the Arts District or Pandosy Village. There are simply too many exquisite details to list here. Call your favourite agent for full details & floor plans or--better yet--book a showing to experience the romance of La maison inspiree de Paris for yourself... Vous etes sur de tomber amoureux.
