There are no common walls with your neighbour so your home is your quiet space. All the finishings are top notch; engineered wood floors, hard surface counters, tile-it's all here. Let's talk about the view! The owners selected this home for its expansive lake view, the no build ravine in front of the home and at night, the amazing twinkle display from the city. The foyer is bright and open with a covered entrance and stylized accents while the primary bedroom is luxurious with a sumptuous ensuite with huge walk-in shower, soaker tub and large walk-in closet. The laundry and mudrooms have elbow room, the hallways are open, and the kitchen/dinning room plan is perfect for entertaining, and entertaining you can do with 2 fully covered patios-both with concrete floors. The lower patio can accommodate a hot tub while the upper has a fire pit and BBQ hookup. Check out the conversation area out back overlooking the city. The lower level has 2 bedrooms and space to add a gym or a home office and of course there is plenty of storage. This is quality, no compromise living. (id:6769)
