

927 Wilson Avenue Kelowna British Columbia

\$739,900

This is a great buy in the highly sought after Kelowna North neighbourhood. Walk to everything. Restaurants, brewery's, transit and shopping are just steps away. The new Legion is across the street, the rail trail is one street away, the lake a 10 min walk. You can't get any more central. Wilson is a quiet street and this home also has the benefits of rear lane access. The main floor has three bedrooms and opens onto the rear yard that is ideal for family gatherings. The bonus attic space provides a separate room for a home office, a quiet study or loads of storage. This character home could be rented as an investment, home to someone looking to get into their first single family home or add it to a land assembly to build some multifamily. The rear lane provides loads of options and access to the garage building. Everything works and functions as it should and it is ready to go. (id:6769)
