Welcome to a masterpiece of California Modern design, where the essence of welcoming and relaxed style intertwines seamlessly with rustic, natural, and modern elements, infused with an eclectic edge. Step into this extraordinary home, meticulously curated by an award winning builder, Gibson Custom Homes, the visionary behind this architectural gem. A grand entrance awaits, boasting an expansive concrete feature wall that extends gracefully into the foyer, standing tall at over 24 feet. Descend downstairs, and the wet bar commands attention, serving as a focal point as you navigate towards the Palm Bedroom. But the allure doesn't end there. This home is replete with unique features that elevate its appeal. A swivel TV bracket in the billiard room/rec room offers versatility and convenience, while a hidden laundry chute adds a touch of practicality concealed within the home's design. Step outside, and you'll discover the outdoor kitchen, beckoning gatherings and culinary adventures under the Okanagan sun. Discover a world of leisure and recreation at Lakestone's exclusive amenities.
