

## 13448 Parkside Crescent Lake Country

\$1,199,000

Enjoy the lovely lake view and the natural beauty of the dedicated green space from this home on a very quiet street in the desirable Lakes subdivision. Grade level entry home with three bedrooms and two bathrooms on the main floor. Primary bedroom has access to the large front covered deck, a large walk in closet, five piece ensuite with heated floors. Bright living room & dining room a very comfortable space for entertaining or quiet family time. The well designed kitchen offers views of both the lake and the tranquil landscape of the rear yard. Lower level 4th bedroom currently used as a den is a perfect work from home space with a lake view! A large family room, full bathroom and laundry room complete the lower level space. The garage is an oversized double providing ample storage, plus RV parking. Low maintenance landscaping front and back.
