

2855 Copper Ridge Drive West Kelowna

\$434,900

Don't miss your your chance to own the only currently available building lot in the original phase of the Smith Creek West development! This is a walk out lot which can accommodate a walk out rancher or two story design with easy and fairly level access. Features impressive panoramic views of Okanagan Lake and mountains, as well as city and rural vistas. You have easy access and proximity to all the ever expanding amenities of West Kelowna. Designed to integrate well with the native environment and respect the history of the area. Close to nature with a quiet walk, hiking, mountain biking, and more are all available at your back door. This Lot has had some basement excavation already completed which will save some cost for the next owner. All of the services are at the lot line. Purchase price is Plus GST
