

7450 Porcupine Road Big White

\$794,000

A rare development opportunity 1 block from Big White village amenities; with the ski-in/out off the Mogul run next to our 0.70 acre lot. Enjoy views to the Monashee mountains and gorgeous sunsets. Sewer, electricity & Big White water connections all confirmed at the lot line. Bring your low to medium density multifamily or single family residential ideas. B&B options also supported. Tons of versatility & a superior choice over buying an expensive single family Feathertop lot that's further away from the convenience of village amenities & with far less restrictive building guidelines. Under the R4 medium density zoning, this uphill lot is open to a variety of options with proposed conceptual images in our marketing material. Location is prime. Seize your business opportunity today.
